The car slid across the road and upset in a deep ditch, hitting a telephone pole at the same time. All three persons were pinned beneath the broken car, but the daughter, by the aid of a flash light she had held in her hand all the way from Akron, succeeded in crawling through a hole in the broken glass and started for help, leaving both Mr. and Mrs. Crane under the wreckage. Sheriff Bigelow returning over the same road found the wreck and gave aid in releasing the two and took them to their home in Sharon. Reports from attending physicians today (Tuesday) state no broken bones have been found. Mrs. Crane is badly cut about the face and arms and her chest is a mass of bruises.
